¹ Bonus Points offer is limited to the business organization addressee only, is not transferable and is valid for a new Visa Commercial Credit Card or a new Visa Crystal Commercial Credit Card account only. Existing account holders of a City National Bank Visa Commercial Credit Card or a Visa Crystal Commercial Credit Card are not eligible for this offer. Bonus Points offer is in effect beginning January 3, 2017 and available through March 31, 2017. Each of the Visa Commercial Credit Card and the Visa Crystal Commercial Credit Card is subject to credit approval by City National Bank and available with credit limit amounts between \$2,000 and \$100,000 or more. If you apply and are approved for a Visa Commercial Credit Card account or a Visa Crystal Commercial Credit Card account, to qualify and receive 100,000 Bonus Points, the account must be opened no later than March 31, 2017, and net new purchases (purchases less returns and credits) totaling \$15,000 or more must be posted to the account during the first 90 days following the date of account opening. Please allow at least 7 days for processing your application request. If your account is opened after March 31, 2017, your account will not qualify for this Bonus Points offer. The posting date for a purchase may be later than the transaction date, depending on the date merchant information is received by City National Bank. Therefore, if a purchase takes place near the end of the 90-day period, the posting date may not occur until after the expiration date of the 90-day period, in which case the purchase will not be counted toward the \$15,000 or more spending requirement. Bonus Points are earned on a per account basis and not on each card issued under an account. PIN-based and ATM transactions do not earn Points. Taxes on the Bonus Points, if any, are the cardholder's responsibility. After qualifying, please allow 4 to 6 weeks for the Bonus Points to be credited to your City National Rewards account. To be eligible for this Bonus Points offer, the Visa Commercial Credit Card or Visa Crystal Commercial Credit Card account must be open and in good standing (such as, not delinquent or otherwise in default) at the time the Bonus Points are posted to your City National Rewards account. See the City National Rewards Program Terms, Conditions and Program Rules ("Program Rules") and FAQs on cnb.com/rewards for further information on earning Points. Program Rules are subject to change at any time without notice.

² If your account is closed for any reason, any unredeemed Points remaining on the date of account closure are forfeited and expire. If the Rewards Program is terminated for any reason, you will be notified, in which event you will have at least 60 days to redeem your Points. After this redemption period, any unredeemed Points will be forfeited.

³ Certain restrictions apply for combining Points from business and personal City National Visa credit cards that come with City National Rewards. See Program Rules, FAQs and City National Rewards Householding Program Rules on cnb.com/rewards for details.
